Interested in a rewarding career in a growing industry with lots of opportunity for professional development?

Care is an essential service that is always needed in the community. You can be confident that you are entering a stable industry in which outstanding disability and home care support workers are always in demand.

Are you suited?

Anglicare skills checklist:

- ✔ You're a people person that can get along with almost anyone, regardless of their age or background.
- ✔ You're ready to help other people gain more independence and confidence.
- ✔ You're empathetic and patient.
- ✔ You're hands on and able to lift, move and stay on your feet.
- ✔ You enjoy building relationships.
- ✔ You want a job in your region (we have jobs available across Tasmania).

Anglicare offers a diverse range of care positions that can provide good work-life balance.

Home Care Cleaner

Home Care Cleaners provide cleaning support to older Tasmanians to assist them to comfortably live in their own homes and support their independence and wellbeing.

Shifts are typically offered between 9am and 3pm, Tuesday to Friday. Perfect for those looking for daytime work during school hours.

This position is best suited to people entering the workforce or experienced cleaners with a passion for helping others.

You can work as a Home Care Cleaner while completing your Home Care Worker qualifications.

Home Care Worker

Home Care Workers provide direct care and support assistance to older Tasmanians living in their own home. They provide a wide range of services to enable people to live at home and stay connected to their community.

Shifts are typically offered from 7am - 5pm Monday to Friday. Perfect for those looking for daytime work with weekends off.

This position requires people who have a Certificate III in Individual Support (or equivalent).

Disability Support Worker

Disability Support Workers are vital part of people's lives. They assist clients with movement, domestic duties, mealtime support, medication administration and support with personal care.

A wide range of shifts are available including early mornings, day shifts, afternoon shifts, night shifts and sleepovers.

This position requires people who have a Certificate III in Individual Support (or equivalent), or who are currently enrolled in a course and have completed 4-5 units.

Because i care.
